

# DRAWN AND QUARTERED

by Harth, Winter MW

All answers are drawn from 10C. One-quarter of the squares in the diagram circumscribe circles: their contents are omitted from the wordplay.

Solvers must figure out where and how to enter the answers.

Four answers are capitalized.

1. Old English is more than poetic (3)
2. Examination time's tense (4)
3. Hors d'oeuvre spread seems limitless when turned over (4)
