

Pangram

by Harth, Winter MW

Unfortunately, the clues are not given in order, and the enumerations are missing. Fortunately, 26 letters have already been entered into the grid.

Unfortunately, those 26 letters have been omitted from the subsidiary parts of the clues.

- a. After good book, Carson's returned something people have with their dinner.
- b. Alternative to love in New York: start and end affair of the heart.
