

You Must Re-Member This

by HARTH, Winter MW

The doctor prescribed emergency surgery. When I woke up, I found that he had rearranged my body parts. Some diagram entries show the results of the operation. Starting with the only one that is clued with a double definition, and following the same sequence as the doctor, they start to reveal his name. Wordplay always matches the diagram entry.

Across

- 1 Wine in part of boat
- 8 "Terror" cast
- 12 Complete irregular triangle
- 13 Deviously, I plan to swindle democrat just a short time
- 14 Head off one leaving hearth
- 15 Heavy king nearly meets bad end
- 16 Ethical force, essential to heartless era
- 17 Book of changes is no good around Hawaii (*two words*)
- 19 Set straight -- in denial, curiously
- 23 Eat into sweet cheese stuffing
- 25 Break from the French set back
- 26 Pit he crushed for family
- 27 Concealed at first, cut among chopped trees
- 30 Floozy turned around, hiding one characteristic feature
- 32 From the soundtrack, recognize dance-drama
- 33 A lot of talk starts to convince some making powders
- 35 Faint glow melting brie after heart attack
- 36 Short witch's tangled hair
- 37 Get ready, say, breaking shells out early
- 38 After moving, one ages
- 39 Horrible scream before beginning of eerie disappearance

Down

- 1 Distrustful of periodic number for 150
- 2 Claim a slender general
- 3 Swell bugle played

Name of the doctor:

- 4 Island without snow cap, without warmth
- 5 Naked Tar Heel?
- 6 Grind tool on it, hard stone in canal
